

Advisory

The Deposit Insurance Corporation, Trinidad and Tobago (the DICTT), the designated host of the 5th Americas Deposit Insurance Forum, following consultation with the Caribbean, Latin American and North American Regional Committees, regrets to advise that the Forum has been cancelled. This decision resulted from the developing situation with the COVID-19 virus, and the ensuing restrictions being placed on foreign travel.

Available alternatives are being explored and Members may be updated in a subsequent Advisory.

Dated: March 12, 2020.
