Red Force starts with two home matches

ST JOHN'S, ANTIGUA—Cricket is set to return to Dominica next year, when the Windward Islands Volcanoes host T&T Red Force for a ninth-round match in the West Indies Four-Day Championship.

Cricket West Indies (CWI) announced yesterday the schedule of matches for the Championship which opens next Thursday (December 6).

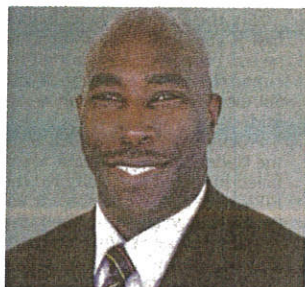

It revealed that Windsor Park, located in the heart of the Dominica capital of Roseau, will stage the match between the Volcanoes and Red Force from February 28 to March 3.

"We are very elated to have been given this opportunity, since we have started to bounce back from the hurricane and on stream to host this regional match," said Glen Joseph, president of the Dominica Cricket Association.

"We are willing to take on the challenge, ensure that everything goes well and is successful. We are looking to put all the logistics in place so that there will be no issues. We are very excited, and we will ensure that we put our best foot forward."

Dominica has been off the cricket radar, since Hurricane Maria, a Category five system, dealt a devastating blow to the island on September 19 last year, but the island has steadily recovered.

Windsor Park sustained little structural damage during the hurricane, but parts of the perimeter wall crum-

Roland Holder -CWI manager, Cricket Operation

bled, sheets of galvanised roofing were blown off the stands and the floodlighting towers were bent out of shape.

The venue was also used as a shelter for displaced residents following the hurricane, but Joseph said that was no longer the case and restoration work had started. "We hosted the World Creole Festival and Gospelfest concerts recently," said Joseph.

"I have spoken to government officials and they are hoping to complete all of the restoration work either in the first or second quarter of next year to ensure that the ground is ready in a bid to host international games next year."

The Volcanoes will remain under the spotlight when the Championship opens, as they face four-time, defend-

ing champions Guyana Jaguars at the Daren Sammy Cricket Ground in St Lucia. Only one other first round match has been carded with Barbados Pride hosting Leeward Islands Hurricanes at the Three Ws Oval.

The other match between T&T Red Force and Jamaica Scorpions has been pushed back to March at the Brian Lara Cricket Academy in Trinidad.

The Championship is also well-placed for players, as almost half of the matches are due to be completed prior to the first Test between Windies and England which starts on January 23 at Kensington Oval in Barbados - and the remainder will be played simultaneously with the Tour.

"The season is designed to give all players an opportunity to impress the selectors prior to England landing on January 11 next year," said CWI Manager, Cricket Operation, Roland Holder.

"Basically, it's four rounds of matches to impress, and consistency from all players—both with the bat and ball—would be welcomed. If it's a batsman, score consistently and not just one big score surrounded by a series of low scores. If it's a bowler, take wickets and trouble the batsmen consistently, so that you are in the forefront of the selectors' minds."

Six day/night contests are carded for the Championship which again features matches primarily on Thursdays.

Naps buzzing in hunt for treble

NICKOLAI MADRAY

NAPARIMA College will be looking to add to an already exceptional Secondary Schools Football League season which has seen them claim two titles, when they face St Anthony's on Friday in the semi-finals of the Coca Cola National Intercol competition at the Manny Ramjohn Stadium, Marabella.

After completing the Shell/First Citizens Bank-sponsored Premier Division undefeated, Naps went on to capture the south zone Intercol title on Monday to position themselves in the running for the prestigious treble.

Naparima's captain and goalkeeper, Levi Fernandez, speaking to Newsday after their victory over arch-rivals Presentation College San Fernando,

Naps players celebrate their penalty shootout victory over Presentation College in the Coca Cola Intercol South Zone final at the Manny Ramjohn Stadium, Marabella, Monday. **AP PHOTO**

said their opponents were extremely tough to crack.

"Coming into the Intercol, we knew it would be a different ball game as the atmosphere and surroundings changed because it is a knockout fixture. I think both teams really came out here and

gave it a fight because of the nature of the rivalry between both schools, but when it comes down to penalties, both sides have a fifty-fifty per cent chance of advancing, and we were blessed to come out with the winning result," he said.

It was not the first time Naps dented Presentation's title hopes for the season, as they blocked their rivals from lifting the league trophy on the last day, while 'Pres' slipped to a 1-0 defeat at the hands of San Juan North Secondary.

Fernandez said his

team is fiercely determined and keen to achieve their goals.'

"First of all, in the league we had a downfall in the middle of the season when nobody thought we were able to win it again as it was out of our grasp, but as a team, we kept working and striving

where in the end we came out victorious and we thank God for that," he said.

Naparima's Principal, Dr Michael Rawle Dowlath, was very pleased with his student footballers and praised the entire team.

He said, "We would

like to congratulate the coach, management and players as they stuck to the tasks at hand and showed their character, perseverance and determination to win us these titles thus far. We are proud of every single one of them."

Dowlath discussed the efforts behind the scenes to reap success, saying, "This takes years of development, as these boys started early throughout the system with the goal of making the school proud, and the coaches are well equipped to help nurture the young, raw talent which these guys possess."

He also reminded the students that these memories should be taken with them in the future as it contributes towards helping build school pride and serves as a motivator for all other students.

Also speaking was former national footballer and Naps' assistant coach, Clayton Ince, who said: "The players are seeing the results of a really tough pre-season and these are the effects of hard work." He continued, "Both the league and the south Intercol titles went straight down to the wire and this shows you the standard of the football within these youngsters and the focus they can have when they desire to achieve great things."

Looking into the future, Ince said, "We try to take each match as it comes; game by game, and right now they are still in glee over the victory and they deserve this time to celebrate. We, as part of the technical team, have to now get them back down to earth in time for our next fixture."
